

**Redemption
Hill Church**

A HOME FOR OUR FUTURE

www.rhc.church

**It has
been an
incredible
journey.**

When we started Redemption Hill 13 years ago, we could have never anticipated the excitement and challenges of a church in this area. Here we are, 690 Sundays later, having temporarily met in 4 different locations!

Think about it... more than 12,000 volunteers serving, over 3,000 kids classrooms prepared, 4,000 speakers setup, 8,000 signs displayed, and more - and that's only what happens on Sunday! Most importantly, we're talking about THOUSANDS OF people welcomed, prayers prayed, praises raised, truths delivered, and LIVES CHANGED through the collective love of Redemption Hill Church!

**OUR CHURCH IS ON THE MOVE,
BECAUSE GOD IS ON THE MOVE.**

Unlike any year since we launched in 2011, we have witnessed an acceleration and amplification of God's work among us. Worship services are packed. People are going deeper with God. Groups are growing. Teams are thriving. Our church is united. New ministries are flourishing, and a new church is on the way.

We're seeing miracles unfold through powerful prayer at Fire Nights, on Sundays, and beyond. New followers of Jesus are bringing friends into the same treasure they've found. Heaven is rejoicing, and there's so much to celebrate, but so much more ahead.

**It is time to prepare to pounce on a new
permanent home for Redemption Hill!**

WHY ARE WE PURSUING A NEW HOME?

We envision our new facility enhancing everything that is great about our church. It will serve as a ministry hub where people experience Jesus and the power of his good news. It will be a place that gathers our scattered energy and resources, so we can do more together to see God's kingdom come and will be done in Boston as in heaven!

Pursuing a new home involves searching for the location, storing up financial resources, and a clear vision as to why it will enhance our mission as a church.

Specifically, we envision the following benefits of a more permanent space.

A 24/7 HOUSE OF WORSHIP & PRAYER

We are pursuing a space that will house our expanding Sunday crowds in a more engaging worship environment. Not only that, our new space will be a hub of prayer and worship throughout the week, a place to experience God's hope, healing, and power!

This new space will also reduce and eliminate many challenges of setting up and tearing down week after week. Staff & volunteers will be freed to redirect their energy to less logistics and more ministry.

ENHANCED EFFORTS TO HELP PEOPLE FOLLOW JESUS IN ALL OF LIFE

A building is just a building unless the people who fill it are committed to the kind of ministry that introduces people to Jesus and takes them into new depths in their relationship with God!

Whether for a first-time guest or a long-time member, we see our new space buzzing with activity as we make disciples, develop leaders, and equip God's people for ministry!

Can you imagine the new ministry that will launch in the years to come?

A VISIBLE SPIRITUAL HOME FOR OUR DIVERSE CITY

Committing to a long-term space also plants a flag that elevates our visibility in Greater Medford and communicates this vital message to our neighbors: our love is here to stay!

Our church looks like heaven with over 30 nations represented! This will only increase as we amplify our efforts to welcome all people and create additional spaces for connection, exploration, and friendship.

We will also generously share our space to bless kingdom partners and community friends as they pursue the flourishing of our city!

ACCELERATED VISION AS A CHURCH ON THE MOVE

As Redemption Hill continues to grow, we will experience greater opportunities to meet the unique needs of every generation in our church: Redemption Kids, Redemption Students, Young Adults, Families, and Seasoned Saints.

Reaching more people will only help us start more churches in the years to come, beginning with Tewksbury (Fall 2025).

The opportunities are limitless, but we understand this vision will require God's supernatural provision!

GOD'S PROVISION: FUNDING THE DREAM

We anticipate raising over 1 million dollars through a building fund campaign!

Where God leads, God provides. He already sees our future home and knows exactly how he will provide for it. While we pray for an amazing, miraculous, "God story," we are also carefully constructing a reasonable and sustainable financial plan.

Our initial funding will help position us with funds for a down payment for a purchase or the financial stream to secure a long-term lease. This will be accomplished through the collective, sacrificial gifts of RHC individuals and families giving over and above what they regularly give to the Financial Ministry Plan (aka operational budget).

We will also pursue grants, partnerships, savings, and potential creative options for revenue streams, and this does not include the countless individuals and partners who desire to see us thrive as we reach Greater Boston with the gospel!

OUR NEXT STEPS

There are a number of factors that will tell us we are ready for our new home! They include positive answers to questions like:

- Are we being Spirit-led through prayer, discernment and unified agreement?
- Would the potential location fuel our vision as a church?
- Are we experiencing momentum, growing deeper and wider?
- Do our Staff & Leadership Teams display health and excitement to move forward?
- Have we seen God's financial provision through internal gifts & external donors?
- Did we complete a diligent process marked by integrity, wisdom, and transparency?

And there's one more crucial question...

Are our people excited to move forward with support, commitment, and sacrifice?

To answer that question, we want to hear from you! Here's how you can help...

1. **Pray** that God would guide RHC on this faith-filled journey and lead each one of us toward our role in its future.
2. **Participate** in a church-wide readiness assessment through a confidential, anonymous questionnaire conducted by a third party church advisor.
3. **Get Ready** as we hear and adapt to feedback from the congregation, we anticipate entering a time of fundraising in early 2025 unless the Lord directs us differently.

THANK YOU!

Your pastors are incredibly grateful for your commitment to our church and your vital participation in this process. Jesus is alive and his glory will shine brighter than every banner around Boston. We can't wait to see how God will move!

"For from him and through him and to him are all things. To him be glory forever. Amen."
